

Ogden Canyon 36" Water Pipeline Replacement Project

PINEVIEW RESERVOIR PIPELINE CROSSING INSTALLATION

📅 **Work begins Monday, September 14, 2026**

Beginning Monday, September 14, crews will install a pipeline crossing at Pineview Reservoir. Expect **increased truck traffic and intermittent noise** during daylight hours as materials are hauled in and unloaded at the marked drop-off locations (★). Reservoir water levels will be lowered ahead of schedule to allow crew access.

EXPECTED SCHEDULE

● Mid-Sept 2026 – Mid-Oct 2026	DAY WORK ONLY Crews will build a temporary road across the reservoir to prepare for the pipeline replacement.
● Mid-Oct 2026 – Late Nov 2026	DAY + NIGHT WORK Pipeline installation.
● Early Dec 2026 – Early Jan 2027	NIGHT + DAY WORK Crews will connect the new pipeline to the existing system.
● Early Jan 2027 – February 2027	DAY WORK ONLY Restoration work, including reestablishing the lakebed to its original elevation.

EXPECTED COMPLETION

February 2027
