

Lane closure begins as early as Monday, October 26, 2026**

Expected lane reopening

April 2027

Beginning as early as Monday, Oct. 26, crews will install pipeline along SR-39 in Ogden Canyon. One lane will be closed for about a quarter mile, between The Oaks Restaurant and the Ogden Canyon Water Treatment Plant.

**This date is tentative. The confirmed closure start date will be posted at ogdencitypipeline.com once the pipe arrives.

WHAT TO EXPECT

- One-way alternating traffic 24/7 through the work zone
- Delays of 5–10 minutes, especially during peak travel times
- Flaggers directing traffic during the day
- Allow extra travel time and slow down near the work zone
- A temporary traffic signal at night
